## SUMMARY

Highly proficient Frontend Developer with 4+ years of hands-on experience in React, TypeScript, and modern frontend tools. Demonstrated expertise in building robust and scalable applications for e-commerce and fintech platforms. Eager to leverage technical skills and industry knowledge to contribute to innovative projects and drive impactful results.

## WORK EXPERIENCE

### Hepsiburada - via Linktera

28/02/2023 - Present

#### Sr. Frontend Developer

- Developed and maintained intuitive user interfaces for various web applications.
- Collaborated with cross-functional teams to solve problems and optimize performance.
- Implemented responsive design principles to ensure consistency and usability across devices.

### Linktera Bilgi Teknolojileri A.Ş

07/07/2022 - Present

#### Frontend Developer

## PROJECTS

### Pay with Hepsipay

28/02/2023 - Present

- Spearheaded the development of a payment platform enabling users to transact using stored cards, account balances, or credits.
- Created a user-friendly interface based on Figma designs by developing reusable React/Typescript components, incorporating animations, debugging issues, and maintaining the application.
- Contributed to the platform's integration with over 120 merchants.
- Created a web JavaScript SDK for integration purposes.

### Hepsifinans

27/03/2023 - 01/04/2025

- Developed interactive UI components and various user flows for a credit application platform.
- Leveraged React/Typescript and Tanstack Query for efficient data fetching and caching.
- Enhanced the credit application process by ensuring accurate handling of customer credit limits.

### Garanti Bank Renovation of Custody Web App

20/09/2021 - 24/03/2023

- Participated in the modernization of a legacy JSP-based application by transitioning it to a proprietary framework based on lit-element.
- Developed dynamic UI components and streamlined page flows, resolving design and UI library discrepancies.
- Improved the portfolio management experience for financial institutions handling large sums.

### Garanti Bank Investor Test Process

01/11/2024 - 31/12/2024

- Developed streamlined page flows by using a proprietary framework which is a ui library based on React.
- Created dynamic form elements for user interactions.
- Created and executed unit tests to guarantee component reliability and code quality.

### Garanti Bank Campaigns Project

9/09/2022 - 20/12/2022

- Developed and maintained Lit Element-based web components, adhering to the bank's proprietary UI library standards.
- Implemented new features, conducted thorough debugging, and resolved critical bugs to ensure optimal functionality.
- Contributed to the modernization of the campaign management process infrastructure.

## Hepsipay UI MFE

27/03/2023 - 01/05/2023

- Developed a back-office application using React within a micro front-end (MFE) architecture.
- Created new pages featuring dynamic tables with integrated pagination functionality.

## Yapı Kredi New Generation Leasing

10/06/2022 – 14/10/2022

- Leveraged React expertise to design components and resolve bugs..

## CreditBoost

01/06/2021 – 25/08/2021

- Responsible for creating ui based on Figma designs using PugJs as a template engine on a NodeJs app along with JQuery
- Developed a solution that assists financial intermediaries in monitoring digital loan approval rates.

## İş Bank Affiliate Data Consolidation

20/02/2021 – 30/05/2021

- Implemented new features, addressed change requests, and resolved bugs using Node.js, Pug.js, CSS, JavaScript and jQuery.
- Enhanced the ux of an affiliate data management application by optimizing its UI for improved usability

## EDUCATION

### Bachelor's Degree

20/09/2009 – 17/10/2017

### Middle East Technical University - METU

Address: Ankara, Türkiye | Field(s) of study: Economics

### Challengers Programı

22/02/2024 – 11/10/2024

UNIQ Eğitim & Danışmanlık

### React Bootcamp

10/03/2020 – 10/08/2020

Frontend Development Courses [www.scrimba.com](https://www.scrimba.com)

### React

03/04/2020 – 06/10/2020

Bilgi Teknolojileri ve İletişim Kurumu - BTK <https://www.btk.gov.tr/>

### JavaScript

10/02/2020 – 10/07/2020

Bilgi Teknolojileri ve İletişim Kurumu - BTK <https://www.btk.gov.tr/>
